

# HOUSING at Mission Springs

THURSDAY AND FRIDAY NIGHTS — reservations made through online Celebration registration (at [pswc.org](http://pswc.org))

**REGISTER EARLY!** Housing reservations are on a **PER PERSON BASIS, not per room**. Each guest (including spouses) must register individually. Mission Springs housing is limited and will be assigned on a first-come, first-served basis until filled or April 12.

**PLAN AHEAD! PRIOR TO REGISTERING, PLEASE FOLLOW THESE STEPS:**

1. Coordinate who your roommate will be.
2. Choose your housing type with your roommate. (Roommates need to select the same housing type AND name each other as roommates.) You may name one or two roommates.
  - Roommates will be assigned to registrants who do not name a roommate(s) or pay the single room fee of an additional \$20 per night.
  - Additional roommates (beyond those requested) may be assigned to your room to accommodate more guests. This will be more common in Standard and Economy.
  - Note to Guests choosing Standard and Economy: The online registration will also ask if you are willing to sleep on a top bunk.
  - Note to Married Couples: Select is the only housing type available for a married couple sharing a room to insure bathroom privacy. To share a room with your spouse, please name him or her as your roommate. The spouse must register separately.
3. Please submit your online Celebration registration within three days of your roommate's submitting his or her registration if at all possible.

**PRICING:** Cost of an overnight stay at Mission Springs includes meals. (Thursday night package includes Thursday dinner and Friday breakfast. Friday night package includes Friday lunch and dinner, and Saturday breakfast and lunch.)

**HOW:** The online (at [pswc.org](http://pswc.org)) Celebration registration system will take your Mission Springs housing reservation when you register for Celebration. All room assignments are made by Mission Springs; they will seek to accommodate the requested housing type.

**MINI FAMILY CAMP:** Guests who extend their stay for the Mini Family Camp will be able to select different housing to fit their family's needs for Saturday night. A room change will be needed. Housing costs during Mini Family Camp are per room, not per person, and are listed on the back of this page.

**EMAIL WAIT LIST:** If the online registration system does not accept your requested housing type (and you receive an ERROR message upon selection), please send an email to [nelly.bothi@pswc.org](mailto:nelly.bothi@pswc.org) noting your name, arrival date, departure date, desired housing type, requested roommates (if any) or single if requested, and best phone number. You will receive follow-up communication as to whether or not your request has been confirmed.
